COURSE LENGTH: 0.5 DAYS

All managers, team leaders, business owners and employees need to conduct difficult conversations at some time or another. Although difficult conversations cannot be avoided, they can be successfully managed to achieve the most positive outcomes.

Understanding, empathy and professional skill development are necessary qualities that help to keep you in control of difficult conversations before, during and after them; so that you can achieve the desired outcomes. Having a good understanding of your own personality type, as well as knowing how to best interact with other personality types, is a specific skill taught in the course.

This highly valuable and engaging course empowers professionals to handle difficult conversations with ease to achieve professional success and improve interactions amongst staff.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
