COURSE LENGTH: 0.5 DAYS

The PD Training Business Etiquette and Professional Conduct Training Course will improve your staff's understanding of exactly what professional etiquette is, and with some customization, introduce them to the expected levels of etiquette in your organization. As participants, your staff will learn how to conduct themselves more professionally, communicate more effectively and acquire the tools to create that all important first impression.

Skills covered in this 3-hour professional development course include making great first impressions, conducting oneself at meetings and work-related functions, learning body language that improves outcomes, and more.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day. This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions.

These courses are facilitated in English, and are open to people from different industries in all countries especially across the United States, Singapore, Malaysia, and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalized learning experience where it is specifically targeted to your needs, see our outcomes in the reviews.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
