0.5 DAY COURSE

The Organizational Skills Training Course provides you with the knowledge, techniques and tools to help you plan and organize your time and tasks more efficiently and consequently improve your productivity and efficiencies in the workplace even if you are working from home.

After completing this extensive PD Training Organizational Skills Course, you will have learned how to remove clutter and organize your work area, using the 80/20 rule to prioritize your tasks, create your master calendar and day planner, the techniques to fight procrastination, how to stay in control and much more.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day. This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions.

These courses are facilitated in English, and are open to people from different industries in all countries especially across The United States, Singapore, Malaysia, and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs, see our outcomes in the reviews.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**

What You'll Gain:

During this training course, participants develop an understanding and use of examining their habits and routines, prioritizing, organizing the workspace and setting plans to stay organized. It also helps to identify and remove obstacles to organization and productivity such as procrastination.
